Customer Information Letter

Leinfelden-Echterdingen, December 30th, 2024

WE ARE MOVING!

Dear Business Partners,

we are pleased to inform you that, as part of our company's development, we will be relocating our business operations from Leinfelden-Echterdingen to Eggenstein-Leopoldshafen.

Starting January 31st, 2025, we will serve you from our new headquarter at:
Daimlerstr. 32, DE-76344 Eggenstein-Leopoldshafen

Our new location offers not only expanded space, but also optimal conditions for growth, improved warehousing, and even better customer service. We are confident that this change will sustainably support the further development of our company and the expansion of our product portfolio.

Due to the gradual relocation process until January 31st, 2025, there may be delays in communication and order processing. We are working diligently to minimize any potential disruptions and thank you in advance for your understanding.

Our Availability During the Move:

We will remain reachable via our existing phone numbers and contact details and are committed to ensuring a smooth transition. Please send all correspondence and deliveries to our new address mentioned above starting January 31st, 2025.

We assure you that we will do everything possible to maintain our usual level of service seamlessly.

Thank you very much for your understanding, and we look forward to continuing our successful collaboration in the new year.

We wish you, your team, and your families a Happy New Year!

With kind regards,

Your CCI-Team
